# SOSEKI (TONY) KASHIMORI

Vancouver BC • tony20030829@gmail.com • linkedin.com/in/soseki-kashimori-939b2a310

## EDUCATION

### BSc, Cognitive Systems (Brain & Psychology)
Expected Graduation: May 2028

**University of British Columbia**

Relevant courses: Cognitive Processes, Research Methods, Understanding and Designing Cognitive Systems, Human and Machine Behaviour, Analysis of Behavioural Data, AI

## WORK EXPERIENCE

### Amazon
May 2026 – Aug 2026

***Program Manager Intern, AMXL Programs & Product Team***

Tokyo, Japan

- Led the design and launch of an end-to-end portfolio management system for AMXL Japan, consolidating 21+ projects across 5 program areas into one automated framework for real-time visibility.
- Built intake, milestone tracking, workflow automations, and executive dashboards in Asana; automated weekly Slack reporting and alerts for at-risk projects with zero manual effort.
- Built an AI-powered workflow that generates bi-weekly program review documents from live Asana data, cutting prep time from 4 hours to under 5 minutes (98% reduction).
- Partnered with Operations, ACES, Finance, Supply Chain, Topology, Retail, and Product teams to gather requirements and drive adoption across the system.

### Xvolve Group
May 2025 – Aug 2025

***UX/UI & Consultant Intern***

Tokyo, Japan

- Supporting global business development initiatives under supervisor mentorship.
- Supporting wireframing, prototyping, and iterative UI design using Figma and other design tools.
- Assisting with marketing, brand strategy, and project planning.

### Bento Inc
Aug 2023 – Nov 2023

***Cashier / Customer Service***

Vancouver, British Columbia

- Provided excellent customer service by greeting customers and addressing their questions about store products and services.
- Operated the cash register efficiently and accurately.
- Processed payments through various methods, including cash, credit card, gift card, and debit.

### 明商株式会社 (Meishou Kabushikikaisha)
May 2022 – July 2022

***Copywriter · Volunteer***

Tokyo, Japan

- Wrote, revised, and proofread emails for the business; performed market research on demographics.
- Engaged in brainstorming meetings to produce original ideas.
- Had the opportunity to be mentored and operate in a team-oriented setting.
